The Student Union Programming Board Application

Hello and thank you for your interest in SUPB!

The committees on the Student Union Programming Board (SUPB) plan, promote and produce programs for the Mizzou campus community. These programs enhance the quality of life at the University of Missouri and strive to compliment the University’s academic mission. In addition, SUPB provides opportunities for students to develop leadership, budgeting, marketing and event planning in a creative environment.

The role of the Student Union Programming Board is to:
1. Create vibrant and exciting Unions (Memorial Student Union & MU Student Center) where students play an integral role in producing that excitement.
2. Provide activities that support the University’s mission to enhance and expand upon cultural development, student/faculty interaction and co-curricular activities.
3. Strive to reinforce the spirit of community by providing activities which unite students, faculty & staff.
4. Provide out-of-classroom learning opportunities that assist students in applying classroom knowledge, and developing personal skills and competencies focusing on leadership and service education

The goal of the board is to promote excitement and learning within the Unions with a focus on educational and cultural programs that involve faculty/student interaction, as well as social programming. SUPB also provides an opportunity for more students to get involved in programming on campus.

SUPB commitments include:
- Tuesday evening meetings 5:00 pm-6:00 pm
- Placement on a committee as an SUPB member, or a leadership position on the Executive Committee.
- Year-long commitment to your committee is expected, as well as assistance with other committee’s events.
- Fall Retreat will be on Sunday, September 23rd (time TBD). This retreat is mandatory for all members. Please contact Rachel Tolliver at supb@missouri.edu if you are unable to make it but would like to be on the board.

If this sounds like the wonderful opportunity you have been waiting for, fill out the attached application and return it by Tuesday, September 11th, 2012 by 5:00 p.m. to the office in Memorial Union S106 or via e-mail to:
